1.0 Overview

This Policy contains information on how the personal and other information of www.deltadata.com visitors is to be collected and processed.

2.0 Purpose & Scope

This Policy is adopted by Delta Data Software, Inc., (dba Delta Data). We are committed to protecting any personal data of users of this website and lawfully processing such data per relevant legislation and, for that reason, we have adopted this Privacy Policy (the “Policy”) to memorialize terms and conditions on data collection to be applied on this site.

3.0 Policy

3.1 Important Notices

By using this website, and particularly submitting your information through various forms or channels, you consent to the collection, storage and use of your personal information according to this Policy.

This website uses and collects cookies, including third-party cookies. You may block use of cookies at any time by adjusting your browser's privacy settings.

This website may contain links to other sites. We are not responsible for their privacy principles, and we recommend you review their policies.

Delta Data retains the right to change this Policy by posting a new Policy to the deltadata.com site.

3.2 Personal Information We Collect

- Personal information that you send to us, including information that you provide us through the “Contact Us,” “Subscribe to our Blog,” “Request A Demo,” and other functionalities as well as sending messages to any e-mail displayed there, information contained in or relating to any communication that you send to us (including the communication content and metadata associated with the communication).
- Information about your computer and about your visits to and use of this website (including your IP address, geographical location, browser type and version, operating system, referral source, length of visit, page views and website navigation paths).

3.3 Usage of Personal Information

We may use your personal information:

- To administer our web site and business.
- To respond to your request for business and marketing communications purposes, according to your initial request.
- For marketing and statistic, site enhancement purposes.
- To keep our website secure and prevent fraud.

3.4 Disclosure of Information to Third Parties

- We may disclose your personal information to any of our employees, officers, professional advisers, agents, suppliers, or subcontractors insofar as reasonably necessary for the purposes set out in this Policy.
 - We may also disclose your Personal Information to third parties when we believe, in good faith and in our sole discretion, that such disclosure is reasonably necessary to:
 - Comply with legal or regulatory requirements or an enforceable governmental request.
 - Protect the rights, property or safety of us, our users or other third parties.
 - Prevent a crime or protect national security.
 - Detect, prevent, or otherwise address fraud, security, or technical issues.
- Except as provided in this Policy, we will not provide your personal information to third parties. We do not sell, rent, or trade your Personal Information to third parties for use in their marketing purposes.

3.5 Retention and Security

- We maintain strict security standards and procedures designed to prevent unauthorized access, loss, misuse, or alteration of your personal information.
- We will always make sure that personal data you provide is stored on protected servers only.
- Your Personal information will not be kept for longer than is necessary.
- Notwithstanding the other provisions of this section, we will retain documents (including electronic documents) containing personal data to the extent that we are required to do so by law.

3.6 How You Can Manage Collection of Your Personal Information

If you wish to access, correct, transfer, restrict, or remove the information you provided to us, please send us an e-mail to info@deltadata.com with "Personal Information Request" as the subject line.
